Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 12 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers clearing. Becoming warm and sunny later in the week.

This Evening and Tonight:
Any showers ease through the evening to give a mostly dry night. Cloud also begins to break up, leading to a few clear spells. The odd fog patch could also be seen by dawn. Minimum temperature 14 deg C (57 deg F).

Tuesday:
Cloud continues to break up through the day, making way for sunny spells. However, the occasional shower could still be seen in the afternoon. Turning dry overnight. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Turning mostly dry with many sunny spells through this period, though slightly cloudier on Thursday. Gradually warming through this period.
